

Hey Boogie Nation,

12/9/21

We are already super excited, and you know what that means!!! It means we really want you to be as excited as we are - :-)))))) That means we want you and your friends to think about Boogie as much as we do - lolol

The theme is the same as 2020.....EPIC Movies, (and not so Epic) movies!! Many of you had your ideas ready to go in 2020. Two years later, can you go back and recall some of those thoughts and ideas? Can you give a twist to those ideas? On our website, Michael threw out some ways to TWIST an epic movie....I'll add to one of his idea as an example: Lawrence of Arabia = Larry of Cowtown

Maybe you'd wear Arabian type head attire and Chaps. (maybe you have chaps from a previous theme). Table theme: camels and cows ????? hahahaha

OR

Disney Presents

Indiana Jones Meets Tinkerbell

Maybe you'd wear an Indiana Jones vest or jacket with a TuTu, while carrying a tinkerbell wand! (We know most of you have Tutus from 2012). :-)))

Hope those two examples can get you rolling - let that creative silliness come out :-)))

Next time I'll be adding a little more clarity to those new members of the herd who have no idea what they've signed up for. :-))))).

The workshop has 50 spaces open for Saturday and 55 open for Friday. Almost everyone is coming for both days of fun. If your friends plan to come, get them out of the field and into the barn to sign up!!

Public Herd Announcement: To Mask or Not to Mask

Currently there are no mask mandates in Tehama County. It is a personal choice for whatever is your level of comfort. In the future, if Tehama County imposes an indoor mask mandate, we will all wear masks. As they say, go with the flow :-)).

Talk to you again soon!!!!

Happy Holidays
